

To our valued customers,

On behalf of Honey Dew, I wanted to send you a personal message to let you know how honored we are by your loyalty to our shops. As a family-owned company, we take our responsibility to you and our employees very seriously.

Over these past many days and weeks, we have faced unprecedented challenges throughout our communities and the world. Like all of you, we are extremely concerned and want to do our part to keep you and our families safe and healthy.

In addition to adhering to government-mandated guidelines, our shops have dramatically increased their cleaning and sanitation throughout the day. Our franchisees are retraining their staffs on food safety and practicing social distancing.

We will do our best to update you in the upcoming weeks and in the meantime, we look forward to serving you however we can in these trying times.

Wishing all of you good health,  
Richard J. Bowen, President
